Since 1978, Coast Landscaping Inc has been a leader in all areas of landscape construction, client satisfaction, and working closely with municipalities extended throughout Southern California. 42 years strong, Coast Landscaping Inc continues to provide its customers with a broad range of landscape management services including: Commercial Landscape Installation, Irrigation Auditing, Water Management, Consulting, Mitigation / Habitat Restoration and Sports Complex Installation.

Coast Landscaping Inc. is a privately owned and operated company with its corporate office located in Southern California. We are a certified SB & SLBE enterprise for the City of San Diego. We are a results oriented company whose attention to detail and high customer satisfaction have been the driving force behind our favorable outcomes. The company is bondable, finically together, manages with a full executive board, and obtains chief operators who are highly involved with every aspect of the day to day business. **“Planted in knowledge & communication”** is the philosophy our growing business is structured around. We believe that work is a privilege, so we complete each job to the best of our ability every time. We are committed to a job well done, our team is highly educated, and our staff has the qualifications, training, and experience needed to exceed the expectations on any job.
